Slovenia	Ministry of Environment and Urban Planning
South Africa	Department of Environmental Affairs and Tourism
Thailand	Ministry of Science and Technology
United Kingdom	Department of Environment Transport and the Regions
Venezuela	Ministry of Environment and Renewable Natural Resources

Challenge is Creating Cross Departmental Coordination Mechanisms

- Standardized commodity data
- Allows for disaggregation
- Reproducible

Material Flow Indicators

- Commodity inputs per capita
- Intensity of Use (kg per GDP)
- Agricultural Ratios
- Fuel Ratios
- Dissipation Index
- Physical Trade Balance
- Waste to Product Ratios
- Future Scenarios
